

Ergo DuraFlex Signature Series Secure Collection Consoles

The Executive Security Console (ESC) is manufactured in North America with an anti-phishing paper deflector, improving the security of the container. The wall hugging bag design reduces the chance of paper collecting at the bottom of the unit and the ergonomic and efficient space design makes this a high quality, cost effective solution.

- No bending required.
- Insert can be pulled straight out of console.
- Self-closing tamper proof lock – provides additional security.
- Even balanced grip for better handling.
- Lip rests on cart when emptying.
- Paper distributes evenly for easier removal.
- Easy stacking for transporting and storage.
- Multi-directional – insert can not be put in backwards.
