## HSM shredstar Autofeed Document Shredders

Simple – time saving – secure.

These fully automatic document shredders give effortless data security. Shred large stacks of paper in nearly no time.

### Secure data destruction

Shred entire stacks of paper with the secure P-4 particle cut. Recommended for all confidential correspondence and standard business documents.

Model	Part number	Cutting size	Cutting capacity manual intake / autofeed <sup>1</sup> in sheets 80 g	Intake width	Security level	Cutting capabilities	Bin volume	Dimensions (W x D x H)
shredstar X200	1035113	3/16" x 1/2"	200 / 10	8.6"	P-4   T-4   E-3   F-1		7.9 gal	13.77 x 15.94 x 22.17"
shredstar X300	1037113	3/16" x 1/2"	300 / 12	8.6"	P-4   T-4   E-3   F-1		7.9 gal	13.77 x 15.94 x 22.17"
